

## SPC Water Resource Center MS4 and Stormwater Workshop Series

The WRC is pleased to announce the upcoming **FREE** workshops.

**Please note that each workshop in March is offered twice, once in each location.**

### MCM1&2 Public Education and Participation: It's where your SWMP ends!

This workshop outlines considerations for building and facilitating cost-effective Public Education and Outreach Plans (PEOPs) for MCM #1 and Public Involvement and Participation Plans (PIPPs) for MCM #2 of an issued MS4 Permit. Real examples will be showcased; along with considerations associated with active vs. passive outreach, Green Infrastructure (and demonstration) projects, and measuring/documenting effectiveness. Workshop presenters will be from Land Studies.
